## Scope and content

---

The Photo Collection contains black and white prints, color prints, 35mm slides, film negatives, and Polaroid snapshots in a variety of sizes. The photographs represent production stills, publicity photographs, cast headshots, rehearsal shots, candid shots of actors during make-up, prop and set design studies, and productions. There are many photographs of Chung Ying staff, special projects or programmes, company special events, such as press conferences, opening nights and other publicity functions.
